

Groverneers 2026-2027

To become a Groverneer:

- Please create a 3-5 minute presentation that you will do to your class. This could be a PowerPoint presentation, a poster or a speech. You can use any props that you feel may enhance your presentation.
- Your presentation should include the following:
 - How you think you show The Three Rs: Respect, Resilience and Responsibility;
 - Why being a Groverneer is important to you and other qualities you have that would make you a great role model for the school;
 - Information about a pioneer you admire (famous or not famous), remember to tell us why you admire them too;
 - One idea you have that will improve the school.
- Remember to ask an adult to email your presentation to your teacher's class email account if it is a PowerPoint e.g. apple@grovejm.herts.sch.uk

What happens next?

- Once all the presentations have been made to your class, everyone in the class, including the adults, will have the opportunity to make a democratic vote. One child will be selected from the vote and one child will be selected by your class teacher(s).
- Your class will be given a time slot to go into the school hall and each person will be able to vote for which candidate they would like to represent their class as a Groverneer. This will be done as a private ballot. You can discuss with your teacher what a private ballot is.
- Two children from each class will become a Groverneer.
- The new Groverneers will then be announced once all the votes have been made.
